Notes From Your Board

HOA Board Meeting is October 9th at 2PM.

Everyone is welcome to the meetings. Come meet the board. Come meet other community members.

Roaming cats... reminder that Section 5.30 of the Monterra Covenants state that all cats must be under control at all times. Please take the necessary steps to keep your cat on your property going forward, especially given the recent sightings of bears and cougars in our vicinity.

Help wanted: Clubhouse Grounds Keeper

Anyone interested should message the clubhouse manager at clubhouse@monterra.com

Monterra is looking for and needs people willing to help with light yard work around the clubhouse... pulling weeds, deadheading plants as needed. The goal is to keep it looking pretty.

Help wanted: Bookkeeper and Treasurer

With the sudden vacancy of these two positions, Monterra is asking for volunteers to step up and help out our community. If these positions are not filled by volunteers, the board will be forced to hire outside help to fill them. This will mean that our dues will need to be increased accordingly.

Final Note From the Editor

This will be my last newsletter. Connie Jo has graciously offered to fill in as editor until the

end of the year. This decision was not made lightly. As the former activities director and editor, I tried my best to bring this community together, to help bridge differences, and try to bring out the good in people. I have always believed that people are basically good and care about each other and this community.

We need to start building up one another. We need to stand up for one another. We need to EXPECT the good in one another. When we see someone tearing another person down, let them know that behavior is not tolerated. Don't berate or belittle someone. Lead by example. Be the change you want to see in this community. Let's learn to help one another and be there for each other. Remember: kindness goes a long way. You never know what battles people are facing. Be the reason someone smiles.
